

**Content Course Eligibility Checklist for Early Childhood/Elementary Education ARL Applicants
(SAMPLE TRANSCRIPT REVIEW)**

To be eligible to participate in Alternative Routes to Licensure to earn an Early Childhood or Elementary Education license, an applicant's transcript must show between 27-38 semester credits related to the Utah elementary education core curriculum. On the quarter system count a minimum of 40 credits and a maximum of 60. Courses not related to the elementary core may not be counted. To convert quarter credits into semester credits, multiply by .66. Each subject area must have at least one applicable course. Only the maximum number of credits can be counted in each category. (Note: Not all courses on a transcript apply. Those earned through general education requirements are most applicable.)

APPLICANT'S NAME: JANE DOE

All courses recorded from transcript must be applicable to teaching Elementary Education K-6

<u>Maximum</u> Credit Hrs.	No Child Left Behind (NCLB) Subjects	Transcript Courses		Semester Credits	Grade	Credits Counted
6	Science Department Courses: <i>* Earth Science, Physical Science or Biology, Chemistry, Physics</i>	Geog 1350 Bio 1010 Chem 1010	Principles of Earth Science Principles of Biology General Chemistry	3 3 3	B- A C	6
9	English Department Courses: <i>* Writing and Literature Courses</i>	English 1010 English 2010 English 2310 English 2300	Introduction to Writing Intermediate Writing Intro to American Literature* Shakespeare	3 3 <i>None (low grade)</i> 3	A - B - C - C+	9
9	Mathematics Department Courses : <i>*Minimum Math 1010 or higher or Math 110 (BYU) Statistics courses do not count unless earned through the Math department</i>	Math 1010 <i>Psychology 3000</i>	Intermediate Algebra <i>Statistical Methods*</i>	4 <i>None (Math courses are counted from Math dept only)</i>	A- B+	4
9	Social Studies Courses: <i>*history, government, geography, economics, political science Psychology, sociology, philosophy, and anthropology courses are not core</i>	Geog 1010 Hist 1700 Hist 2700 U.S. <i>Sociology 1010</i>	Natural Environment American Civilization History to 1877 <i>Intro to Sociology*</i>	3 3 3 <i>None (not elementary core)</i>	C A C + A -	9
3	Fine Arts Courses: <i>*dance, drama, music, art</i>	Music1013 Art 1010	Introduction to Music Basic Drawing	3 3	B A	3
2	Physical Education or Health: <i>Must be applicable to Elementary Education core curriculum</i>	Health 1030 Nutr 1020 HLAC1096 <i>P.E. 3110</i>	Healthy Lifestyles Foundations of Nutrition Fitness for Life <i>Swimming*</i>	3 3 1 <i>None (Not elementary core)</i>	B + B A A	2
Total:	38 credits	Total 33 credits				

Applicant qualifies for ARL by having 33 content credits directly related to the Utah and NCLB Core Curriculum

** means no credit awarded because course is not applicable to teaching elementary (K-6) curriculum or indicates a grade lower than C.*
